EXPERIENCE

Software Development Intern

Dec 2025 – Present

ATRIBS Software Systems

Pallavaram, Chennai

- Worked on Flutter and Dart to develop a mobile application for a Digital Police platform.
- Gained hands-on experience in Figma-based UI/UX design and Industry 4.0 concepts.
- Developed features involving AI-based complaint triage and chatbot integration.
- Collaborated with mentors and engineers to design scalable application workflows.

PROJECTS

Digital Police Application

Ongoing

- Built a Flutter-based mobile application with Firebase backend for complaint management.
- Implemented an AI-powered triage system and chatbot for automated user guidance.
- Designed admin and user modules for complaint tracking and resolution.

Hospital Management System

Nov 2025

- Developed a role-based Flask web application with secure authentication.
- Implemented doctor–patient management, appointment scheduling, and treatment history tracking.
- Used SQLite, Bootstrap, and Jinja2 for database management and UI design.

Internship Suggestion Platform (SIH 2025)

- Created a Node.js-based web interface to suggest internships using user profile data.
- Designed the system to integrate with the PM Internship Portal.

EDUCATION

SSN College of Engineering

Aug 2023 – May 2027

Bachelor of Engineering in Electrical & Electronics Engineering

CGPA: 9.565

Two Gold Medals for Academic Excellence; Department Topper (1st & 2nd Year)

Indian Institute of Technology Madras

Jan 2024 – Present

BS in Data Science & Applications

Foundation CGPA: 9.88 | Current CGPA: 9.62

SKILLS

Languages: Python, SQL, Java, C++, Golang, Dart, HTML, CSS

Frameworks & Tools: Flask, Flutter, Firebase, SQLite, Bootstrap, Figma

Concepts: Machine Learning Foundations, Web Development, Probability & Statistics, Linear Algebra, Fuzzy Logic

Other: Teamwork, Sports Leadership, Time Management

ACTIVITIES

- Treasurer, IEEE CASS – Managed chapter finances and supported technical workshops.
- Lead Volunteer, NSS – Participated in large-scale outreach programs and community initiatives.
- Intercollegiate Athletics Medalist (1500m & 5000m) – Demonstrated discipline and competitive consistency.

CERTIFICATIONS

- IIT Madras – Data Science Foundation Certificate
- Merit Certificate – SSN College First-Year Topper
- NPTEL – Fuzzy Sets, Logic and Systems
